From : Fatma To: Azza
Subject : My holiday
Hi, Azza!
I am back from my holiday in Paris. I had a wonderful time! Paris is a great city for a holiday because there is so much to see and do. The food is delicious. I ate a lot of new things, for example, **snails**! One day we climbed the Eiffel **Tower**, and from the top we had a view of the city. We visited museums and had a picnic in the Luxembourg Gardens. We also went on a boat on the river Seine. What a pity we did not have time to go to the Science Museum. I also wanted to see the art at the Louvre, but it was closed. Near our hotel there was a busy market. I bought a T-shirt and some postcards. I also bought you a souvenir. It is a very small Eiffel Tower! You can put it next to your bed. It has got a light on the top.
See you soon!
Fatma

Reading

Hi Fady,
Last week, I travelled from Cairo to Aswan. My father bought our tickets at Ramses Station, then we got on the train. There were people from many countries on the train, for example, England and Australia.
The train left Cairo at 8 o'clock, and soon we passed Giza. I enjoyed the view from the window and I saw the Nile. There were lots of boats. It was beautiful.
The train continued to Aswan. We arrived there at ten o'clock. My uncle was there to meet us! It was a wonderful journey.
We arrived at Luxor at a quarter past six. Many tourists left the train here. They wanted to see the Valley of the Kings!
See you soon!

Great visit! Review by: Sara

I visited this café last weekend with my mum, my dad and my brother, Ashraf. We chose this café for lunch because it looked very nice. The walls were green and white and there were big windows. (I love looking out of the window and watching the city.)

After lunch, Ashraf and I had cakes. This was the part we enjoyed most! There were a lot of different cakes and they all looked delicious! I chose basbousa and Ashraf had kunafa. They were amazing!!! I'd like to visit this café again (very soon)!

I want to write about an amazing meal I remember. I visited my cousins in Damietta last summer with my dad, mother and sister. They took us to a café for lunch. It was near the beach and it had big windows. (It was wonderful watching the boats on the water.)
I had my favourite meal, Koshari. I love Koshari but this was different than usual. It was delicious. My family and cousins all had fish from the sea! We all liked our food.
We then all had Egyptian Rice Pudding. There was not a lot of sugar in this recipe and it was not too sweet or unhealthy.
It was a wonderful meal and I would like to visit this café again (one day)!

A meal which I always remember is fish and rice. At a great restaurant in Alexandria. I went there with my family. The restaurant was very near the sea so the fish was very fresh. We chose the fish and the chef cooked it for us. My parents ate their favourite fish and my brother enjoyed watching the boats on the sea. I hope we can go back to the restaurant again soon.

Sham El-Nessim

Sham El-Nessim is my favourite time of the year. We enjoy it at the start of spring. Sham El-Nessim started in 2700 BCE! Today, most Egyptians have a picnic in a **park** or next to the river with their families. Many people also go to the beach, where they make sandcastles and **swim** in the sea. On this day, we eat **a lot** of special food. Do you want to know how to enjoy feseekh?
Add lemon juice to the fish and have it with salad. It's delicious, but you should buy it from a good shop and you shouldn't eat **too much** !
Last year at Sham El-Nessim, we **went** to Alexandria. We visited our family and went to the beach. We rode our bikes and played games. Do you know what we are doing in this photo? We **are painting** eggs! We always do this. We **didn't** see our cousins last year, but we made a video call. It was fun to talk to them on the **laptop**. Do you know any other special food? Click on the **icon** at the top of this website. Take a photo and write an email about it. Send us a **recipe** for it.

In the UK many people eat pancakes at the start of spring.
How do you make pancakes?
Put all your ingredients in a bowl and add two eggs. Stir everything together. Put some butter in the pan. When the butter is hot, you should start cooking your pancakes. Cook each pancake for two to three minutes on one side then cook the other side of the pancake. Eat your pancakes with honey and nuts or with sugar and lemon juice, humm they are delicious

Listening

Hi Judy,
The family party is on Saturday. There are ten people. Can you help me and buy the shopping? Five people like fish. Five people like chicken. The children like fizzy drinks, but they aren't healthy. So, we can have orange juice. Four bottles is enough for the children. We can all drink water, so we need eight bottles. Buy some tea, too, please. Please go to the shops and then check we have enough chairs.
Many thanks
Mona
